BOSSEAU

I will stand my fine registered Percheron Bosseau at my farm on the Stanford and Hustonville pike, one mile East of Hustonville for the season of 1914 at \$15 to insure a live colt. Bosseau is a fine big boned animal, weighs 2,000 pounds and is just the kind to breed to, to get your big mule mares.

R. L. BERRY, Hustonville Ky.

Glen Brook

A HIGH GRADE STALLION

My high bred five-year-old Chestnut Sorrel Stallion will make the Season of 1914 at my barn on the old fair grounds at Hustonville, Ky. He is 16 hands high, weighs 1,200 pounds. He will serve a limited number of mares at \$15 to insure a living colt, season due when mare is parted with, or leaving the county. This stallion is by Ashland Brook and out of standard bred trotting mare. He has proven to be a great breeder, having his colts to show for him. His colts are all saddle colts, with good style and action. Call and see a good horse before breeding time comes.

JIM REED

I will also stand the great mule jack Jim Reed, the well known mule jack by the old jack of Jim Reed's. Having sold his colts at \$100 at weaning time and is a fine breeder, having colts to show for him here. He has a large bone and his colts have good bone and style. He will stand at \$10 to insure a living colt. Money due when mare is parted with or left the county.

B. W. LEIGH, Hustonville, Ky.

Samson

Registered Percheron Stallion 78958
This is a splendid type of the breed. Black with star in forehead. Foaled May 25th, 1910.

SIRE—The great Percheron horse, Sam, 25055 (5468) an imported horse from France, a winner at the International at Chicago; also twice winner at Virginia State Fair, tipping the scales at 2450 pounds.

\$10 to insure a living foal. Money due when colt is foaled, mare traded or removed from county. Care taken to prevent accidents, but not responsible should any occur.

E. G. BICKLEY, Danville, Ky.

Two Great Stallions

Standing at Hustonville

I will stand the two great draft horses WATZMAN and FRENCH for the season of 1914 at my farm near Hustonville, at the low sum of \$10 each to insure a living colt.

Watzman is an imported German coach horse. He sold for \$3,000 originally. I have used him two seasons and his colts show for themselves what he can do, all coming large size and with lots of style. His colts show too well what he does, to need an extended description.

French is a Percheron, and a Company horse originally and sold for \$2,400. I bought him in Metcalf county, where he has done splendid work in the stud. He produces splendid colts, the big stylish fellows with fine bone and shape. He will attract attention anywhere and is the kind of a breeder owners of mares are looking for. He weighs 1,800 pounds and gets colts like him.

I also have two or three fine, big mule breeding jacks which I will also stand at \$12 and \$10.

A suit that fits you—the coat hugs the neck, slopes with the shape of shoulder, hangs close to the body—that is appearance.

These three things we offer you in our Men's Suits:
PALM BEACH, \$7.50.
MOHAIRS, \$10, \$15 and \$20.
SERGES, \$10, \$15, \$20, \$25.

Luke McLuke Says

What has become of the old-fashioned woman who used to believe that she would have seven years of bad luck if she broke a looking glass.

Every man knows one fellow who hasn't any faults. And he doesn't have to go far to lay his hand on him, either.

If a man has a red nose, he has to wear it and let it go at that. But if a woman has a crimson cheek she can always wear a Beauty Veil.

The children were a whole lot more obedient in the old days when Father kept a paddle in the woodshed and Mother wasn't afraid to use her slipper.

Any married man with a family can tell you that the only time he ever gets any attention at home is when he is too sick to appreciate it.

The modest woman, who won't wear a silk skirt because it exposes one limb will often wear a silhouette skirt and expose both of them.

Lots of men who are too wise to try to carry water in a sieve will argue with a woman.

The world will be growing better, but there are still too many hoodlums, drinking legislators who talk temperance.

Lots of poor boobies who regard gambling as a crime will start in and try to get rich raising chickens.

When a man is using the telephone you can always tell when a woman is at the other end of the wire.

A snake charmer is usually a female who looks as though she took to snakes because her face would scare anything else.

Some day when we get things running right, there will be a law against carrying concealed hammers.

The Kansas State officials proudly announce that 80,000 quarts of joy juice were imported into Topeka and consumed last month. Who's afraid of prohibition?

When you ask a man to do anything and he says he'll think it over, that is a polite way to say he won't do it.

You get mad all over if you are quoted incorrectly once a year. But how would you like to be Shakespeare or Statistics?

The old-fashioned woman who was named Mary now has a daughter who was named after a Pullman car.

Clue up! If you had money enough to buy everything you wanted you would have the dyspepsia so badly that all you could absorb would be toast and water.

The reason a woman is a woman is because she would rather pay \$1.98 for an article and get a two-cent premium with it than pay \$1.50 for the same article without the premium.

WOULD you buy FIRE INSURANCE if your house had to be burned to the ground as a total loss before you could collect any money?

Then why buy personal insurance of that kind?

You who only carry "life" insurance must die to win. If you become ill or disabled, your earning powers cease, yet you receive no aid from your insurance. On the contrary, you jeopardize your life insurance because your income stops when your expenses increase. Few men can stand this strain and still meet their premiums.

RELIANCE PERFECT PROTECTION not only protects your heirs, but protects YOU and protects your insurance. You are paid for your loss of time, whether you are disabled one day or forever. You are paid no matter what your disease or what accident you may meet.

You who pay from \$60 to \$75 a year for accident and health insurance are simply paying for disability protection. After the term of your insurance your money paid in has no value. You must suffer if you would have any return from your investment. Your premiums have no earning value.

RELIANCE PERFECT PROTECTION POLICIES are fundamentally life policies. They carry all the excellent features of the regular life policy, the cash dividends, the paid-up value, the borrowing power, the money-earning and money-saving features that have made life insurance the ideal investment for the average man.

You who carry NO insurance are neglecting your duty--the safe-guarding of your loved ones. You are tempting fate by your indifference. You are GAMBLING against your life and your health, and you are sure to lose.

Consider, then, RELIANCE PERFECT PROTECTION.

PERFECT PROTECTION means just what its words imply. It means insurance that covers you at all times with a mantle of security, that guards your interests, that PROTECTS you.

Reliance policies pay you for loss of time, a day, a year, pay for any illness, pay for any accident, and in case you die as a result of the accident, pay from two to five times the face of the policy.

Reliance policies are non-forfeitable, are self-protecting. Should you become permanently disabled they become fully paid up immediately, and your cash payments start at once. When you die, your heirs obtain the balance due you, either in cash or in payments as you may direct.

Should you die from disease, your heirs are paid the face of the policy. Other health and accident policies pay nothing for death through illness.

RELIANCE PERFECT PROTECTION costs you little more than an ordinary life insurance policy. Perfect protection allows you to PAY FOR YOUR LIFE INSURANCE WITH THE SAVING ON YOUR ACCIDENT AND HEALTH INSURANCE.

THE RELIANCE LIFE INSURANCE COMPANY is the strongest institution of its kind in America. It has more actual money back of and protecting each dollar of insurance than has any other life insurance company in the world. Call, telephone or write for full particulars of RELIANCE PERFECT PROTECTION.

RHEUMATISM ARRESTED

Many people suffer the tortures of lame muscles and stiffened joints because of impurities in the blood, and each succeeding attack seems more acute until rheumatism has invaded the whole system. To arrest rheumatism it is quite as important to improve your general health as to purify your blood, and the cod liver oil in Scott's Emulsion is nature's great blood-maker, while its medicinal nourishment strengthens the organs to expel the impurities and rebuild your strength. Scott's Emulsion is helping thousands every day who could not find other relief. Refuse the alcoholic substitutes.

Kansas, Missouri and Oklahoma raisers of wheat need at least 82,000 more men to help in harvesting crops and the commissioners of labor of those states have asked Secretary of Labor Wilson to have his department co-operate with them in obtaining the necessary work. The men will be wanted by June 14, and the pay, it is stated, will range from \$2 to \$3.50 a day.

The Lexington Herald said Wednesday of a well known Stanford horseman: J. W. Engleman, of Lexington and Louisville, well-known trainer of trotters who divides his home between the two Kentucky cities, arrived in Lexington last night from Louisville having come thither from Oskaloosa, Ia., where he had been training a stable of trotters. Mr. Engleman has recently recovered from a spell of illness, but looks well despite the fact that he is a bit reduced in flesh. He brought up the good trotting mare Axalea, 2:24 1-4 by Chimes, and her foal, a handsome bay filly, by General Watts, which he owns in connection with former Sheriff Henry Bell, of Louisville.

A Hawkins & Bro., of Anderson county, sold 422 cattle at \$8 per hundred. They will average 1,250 pounds.

M. H. Vice, of Montgomery county sold last week to J. L. Robins, of Bourbon county, twenty-three lambs, averaging about 70 pounds. The price was 73-cents a pound.

J. W. Jones, local stock dealer, purchased the following lambs this week: 66 lambs weighing 70 pounds at seven and a half cents from T. D. Hammonds on the Danville pike; 42 averaging 65 pounds at \$8 per hundred; of Wm. Bright, cashier of the Lincoln County National Bank, 20 from Cwoley Newland at seven and a half cents per pound.

On the live stock market, Monday at Winchester, about \$1,000 cattle were offered, but few changed hands. The best price was 7 1-2 cents. The outlook for a drought and shortage of grass, seems to have retarded the cattle market. There were few hogs and sheep on the market with buyers equally as few. Males sold slow, a few pairs exchanging hands at from \$400 to \$500.

M. L. Brown, of Cincinnati, Saturday bought of Clarence Lebus, of Paris 29 head of extra sloppers, averaging 1,180 pounds, at \$7.65 straight. They were weighed in at Cynthiana, and were said to be high in quality. They go to the Baltimore market. The fact that an offer from another buyer of \$3.12 for 30 head of corn cattle was refused was construed as evidence that Mr. Lebus is optimistic regarding the cattle market.

The first of the notable Jersey cattle sales of the season was made at Burr Oak Farm, near Shelbyville, Wednesday, when W. R. Spann & Sons sold 89 head of island-bred and imported animals for \$26,010, an average of \$290 the head. This importation was considered by Mr. Spann to be the best of the many he has made and the prices were lower than had been anticipated for the sons and daughters of such sires as were represented in the breeding. The highest price of the sale was realized for Campanile's Golden Fern, a 2-year-old bull by Golden Fern's Noble, dam Campanile 35, which was sold to the Blackbelt Stock Farm, Hamburg, Ala., for \$12,000.

Arthur Cottey, of near McKinney, bought five registered Duroc-Jersey gilts of C. E. Tate. Price private.

Will Huffman, a farmer of the Gilbert's Creek section sold a 500-pound steer to R. C. Arnold for \$32.50.

Sam Castello, out on Danville pike recently sold sixty 168 pound hogs to R. C. Arnold at seven and a half cents.

R. C. Arnold bought 29 head of hogs averaging 134 pounds of J. E. Holman, out on Route 1, at seven and a half cents.

E. E. Davis, a prominent young farmer out on the Shelby City pike, sold a cow and calf to R. C. Arnold for \$42.50. Mr. Arnold also bought another one from J. T. Dudderar, out on Route 1, paying \$26.

R. C. Arnold has bought in the last week the following lambs: 26 of Alfred Swope, of Rowland at \$7 per hundred. They averaged 70 pounds per head; 67 lambs of R. T. Bruce at seven cents per pound; 21 of Will Logan at \$2 per hundred and 12 ewes at \$4 per head and a cow of W. P. Logan, out on Lancaster pike for \$37.50.

Shropshire has Some Good Ones

W. G. Shropshire, of Winchester, of the successful saddle horse firm of Matlack and Shropshire was in the city on his way to his old home at Paris. Mr. Shropshire completely dominated the five gaited championship classes the past season with Hazel Dawn, while he had a second string to his bow in Jack Barrymore, which held all the others safe.

Mr. Shropshire says he has a number of good horses of which Jack Barrymore, the stallion, Rexall Prince and the mare formerly known as Regina Peavine, appear to be the stars among the elder division while the three-year-old colt, Auto Be King, owned by W. C. Massie of Paris, promises to be the star among the juveniles. He has a pair of high class harness horses in the bay mare Lady Rosamond formerly Undulata Lady and a chestnut gelding by Golden Gay, a Highland Denmark horse out of the dam of Star McDonald.

At present his stable is a little light on three gaited horses but the season is still young and he has some good prospects that appear to be pretty good prospects.

"I have more trouble in getting good three gaited patterns recently than anything" he said when speaking of the eastern saddle horse—Lexington Herald.

A stout person who uses them constantly will really feel thinned out and more comfortable as a result of their use. For sale by all druggists. At Bremen, Ga. W. M. Golden, of the Equitable Life Insurance Society, says he found Poley Kidney Pills to be the best remedy for kidney and bladder troubles, also for rheumatism. Silas Anderson, out on Route 4, sold to T. W. Jones three 200-pound hogs at seven and a half cents per pound.

Eads Bros., stock dealers, of near Moreland recently sold to George Bartlett, who lives on the Danville pike out of Hustonville, a cow and calf for \$40.

On the farm of W. B. Webb, at Sargent, near Whitesburg, is perhaps the most interesting, long-lived and still bearing apple tree in Kentucky. The tree in question was planted over 90 years ago by Jason L. Webb, late father of the present owner, and for 85 years the apple tree has been continuously bearing. This year's crop is also a splendid one. The tree is of mammoth size still prolific and bids fair to survive many years longer. It is an object of extreme interest to all those who have looked upon the hardy old tree.

A big business deal was consummated at Versailles, when J. Andrew Cain sold the Hope Mills and his large grain elevator to the Farmers' Union Mill and took a big block of stock in the last named company, with which he will be actively associated. The consolidation of these plants will give Versailles one of the largest flour mills in the State. The Hope Mills have been in operation for a number of years, and the Farmers' Union Mill, of which J. N. Camden is president, was established a little more than a year ago. They both have a large wholesale trade throughout Kentucky and adjoining states.
